Welcome To EAMUG

April EAMUG President's Message

The March EAMUG general meeting was attended by 24 members. "iPhone Services" by Hallie Bowns of Verizon Wireless was the featured topic, as Hallie covered all aspects of the iPhone and answered all questions during an extended Q&A.

The March SIG attracted 8 attendees, for both iPad/iPhone and Mac troubleshooting support. All attendees were helped with their problems.

The EAMUG website is up and running, so members are encouraged to review the next meeting schedule, download the newsletter and checkout the new Buy/Sell/Trade section available for member use. Go to www.eamug.org or click the link [Eamug Website including newsletter.](#)

The EAMUG Board is seeking members for the positions of Publicity Director and Social Director. Please speak up if you would be interested, as we would love to have you!. Only a small time commitment would be required to fulfill the duties of either position, along with attending a monthly Board luncheon meeting during the winter season.

Mark your calendar and join us for our next EAMUG meeting at 1:30-4:00 pm on Thursday, April 3 at the Elsie Quirk Library, upstairs in the Meeting Room. The program is to include the usual Mac 101 and will feature Spencer Blunden of Computer Advantage presenting "How To Maintain Your Macintosh" and "iCloud". These topics have been requested by members at recent meetings. After the Door Prize Drawing we have lights-off by 4:00 pm.

Our next SIG will be Thursday, April 10 from 2:00-4:00 pm upstairs at the Elsie Quirk conference room. We will have one-on-one help with "All About iDevices" (iPads & iPhones) w/Carl Schwartz and "Bring Your Problem Mac" w/Seth Eberhardt. If you have issues, problems or just want to learn more about your devices you should attend!

Hope to see you all at the general meeting and the SIG!

—Seth T Eberhardt

SIG
Don't Miss It!!
Thursday, April 10, 2014
2-4 PM
 at the Elsie Quirk Library.

*All of our meetings and even the SFG is "free" but as this is our Group's event you **must be a member** or partner of a member to attend! Don't forget to join. Info on joining on page 3.*

Seth and the EAMUG board have agreed that our Rain or Shine Pizza Social will be at the usual place, the Englewood Gardens Beach Club (see pictures at the bottom of this message if this is to be your first Social.) The date you need to mark on your calendar is [April 17, 2014, 11 a.m. to ????](#) (If you click on that information, and click on the down triangle, you will probably be able to put it into your iCal as Create New iCal Event.)

Some guidelines: This event is free to all paid up EAMUG members—spouses and guests will cost \$5; we need to know ASAP that you and whomever else will attend this fun time!! Those who attend will often look forward to bringing a dish—salad, dessert, or whatever you are famous for. I have to know that, as well, so we can plan.

There will be door prizes, plenty of various pizzas, soda, coffee, bottled water and a lot of socializing. Bring your camera, bathing suit and whatever else you might like to have with you at this beach event. There is a hall where we will eat and socialize. We plan to eat at 12 noon, so if you are bringing any food to share, please have it there by noon, or before. There is a stove, refrigerator and microwave available.

Some people bring computer-type items for the Tag Sale table. (If you bring it and it doesn't get bought, you must take it home.)

We need some people to note that they will help with cleanup, too.

The Englewood Gardens Beach Club changed some of the rules for the clubhouse at the beach. The biggest change is we can only park 10 cars inside the enclosure (we might even limit the cars inside to Handicapped parking). Most of the cars will need to be parked across the street in the big corner lot.

The above was an email sent to all members We are Looking forward to seeing you there.

Another tip on group mailing

Last month I gave a tip on group mailing from an iPad. This month I learned how to group mail from an iMac using Mavericks. If you search mail help you will get nothing. If you search contacts help you will get this: "easily send email to several people at once." You will also find a tip that control clicking on a group name will open an email to that group. However, it sends the group name to the "to" field with no way to move it into the "bcc" field. After searching Apple support, I found nothing on how to group mail using "bcc", but I noticed a comment about showing addresses in the email fields. I tried doing that and it solved my problem.

You click on mail, mail preferences, then at the top, click on composing. There you will find a box to check under addressing that will "when sending to a group, show all member addresses". Click this box.

Now when you control click on a group name in contacts, all the addresses will appear in the "to" field. Select the addresses by clicking on the first address, then shift-click on the last. Now you can drag or cut and paste those addresses into the "bcc" field.

This is simple once you know how to do it, but I spent several week of research and trial and error to discover this tip.

Did you know that next month is our last issue till October? After our May meetings there will be no more meetings or SIG's until October. Unless you want to hold one at your home.

If a member would like to host a SIG this summer let me know 2 weeks before the May EAMUG newsletter comes out and I will announce it...

I will be bringing some stuff to the SIG, to demo. You can too! (An art pen, a acoustic iPhone/iPod amplifier and a couple of apps.) Bring your smiling faces and help us continue to have good meeting by sharing your ideas and expertise.

Carl & Elaine hope to have another sunset bird watching party in our back yard in May or June. Details in our next issue.

EAMUG board met at Stefano's with Lou Bessen (Treasurer), David Pascal (Librarian & Webpage), Carolyn Rosenfeld (Secretary), Carl Schwartz (Newsletter), Seth T. Eberhardt (President & Programs), Roger Peters, Carol Bryan (Membership), Georgia Britton, and Mike Volpe (Sgt. @ Arms) present.

Meeting began at 11:52, suspended at 12:10 and resumed at 12:40. Lou Bessen gave the treasurer's report. We have 39 individual members, 3 family membership (6 people) paid, honorary 16 members for a total membership of 61 people. There were 24 people present at the March meeting.

Board minutes and feedback, they were accurate and accepted.

Newsletter was commented on and people enjoyed the articles. Carl was very happy to receive articles this month from members for the newsletter.

Program

"Mac 101" by Seth was very good.

"Verizon Wireless iPhone Service" by Hallie Bowns - did a great job on the iPhone. As she was called on at the last minute by others at Verizon we felt she gave us a good presentation. We did wish for the list we received the last time of the newest and most interesting apps. We will see if we can obtain such a list.

The board was very glad to welcome Mike Volpe back. He says he is feeling much better. David has introduced a buy sell and trade item to our website. Check it out under the "useful links" title. As you can all see our numbers are down. We find this is a problem everywhere with users group. We discussed having a publicity person to get our meetings listed in the newspapers.
